Dear Sylvia Berkman--

of course I remember you (glad you  
remember me) & should like to try  
to read on February 27th

is or isn't Wellesley--shamefully  
have forgotten--near Cambridge?  
I ask because I might be staying  
with an aunt, who lives not far  
from Harvard Square

Marion sends her best; we both wish  
you tiptop luck

--sincerely
