Chiswick

The Mall

June 16 / 67

My dear Walton

A mere languid Complacency
seems to me more dangerous, than
almost any other mood could be.
At any rate I pledge myself though
I am a very busy man to hang back
in no way if any one will answer
your question and mine of
'What is to be done?'

I am Dear Sir

(with many thanks)

Yours faithfully

William Morris

G. L. Walter Esq
17 Lime St
City
