Dear Sir

Thank you for  
sending me the Shatz. Of course  
I do not think of buying it  
at that price; and I don't think  
you would advise me to do so.

I will ~~come~~ call & bring it to you  
tomorrow, <sup>about 4 p.m.</sup> when I will  
take a another look at the <sup>(1486)</sup> Grand  
Llew A sop which under the  
circumstances I shall probably  
be unable to resist. <sup>Yes truly</sup>
